**June 5-10, 2022**

**Grand Hotel San Michele, Cetraro (Calabria), Italy**

May 30, 2022

To: Participants, **WasteLCA\_3**  
From: Barbara Hickernell, CAE, ECI Executive Director

We are looking forward to your participation in this conference. Please read this note as there are items in it that may be helpful to you before your arrival at the conference. You will receive electronic copies of the program and abstracts later this week. Please pay special attention to the highlighted information regarding our approach to precautions for your safety during the Covid-19 pandemic.

**For those arriving from outside Italy, we suggest that you visit both your airline's website and that of the Italian government for the latest Covid-19 testing requirements from the Italian government for those entering Italy. This is important as the regulations are changing frequently and are different in each EU country. What I write today may not be in effect tomorrow.**

*Our community thrives by engaging with each other face-to-face but we wish to be safe in doing so. Thus, safety is our first priority. We cannot make guarantees but we can assure you that ECI will strictly follow the health and safety guidance of health authorities, consult best practices in the meetings community, and try to provide as "normal" a conference as possible during these circumstances.*

*Prior to registering, all conference participants and their guests submitted proof of full vaccination and agreed to properly wear masks (except when giving a presentation or actively eating or drinking) and social distance. Please continue to wear your mask. Your conference material will include a KN95 mask and the ECI staff has access to additional ones should you need them.*

*Our room sets will be structured to allow for the physical separation of participants. Please employ social distancing in informal settings. The cleaning and sanitation in the hotel is robust.*

*We suggest that you bring a home test kit with you. Should you feel unwell at any time during the conference, please call Kathy Chan (cell phone: +1-646-309-7959) or email her ([kathy@engconfintl.org](mailto:kathy@engconfintl.org)). If you test positive, please let us know immediately and stay in your room. We will notify the hotel. If you test positive once you arrive home, please contact us so that we may inform fellow participants.*

*The reverse side of your name badge (distributed at the conference) is where we suggest that you place emergency contact information.*

*As we respect your privacy, we will dispose of your vaccination information/official identification and mobile phone number after the meeting.*

Speakers are expected to bring a poster which will be displayed at the evening poster session on the day of the oral presentation. This will allow intensive discussion of the technical materials presented, Remove your poster at the end of the evening discussion session.

It is essential to the conference schedule that you keep to your given time - and be certain that you allow enough time for questions/discussion.
