This note conveys several items that need to be brought to your attention.

HOTEL
Dolce Sitges Hotel (Av. Camí de Miralpeix, 12, 08870 Sitges, Barcelona, Spain) (T: +34 938 10 90 00)
The hotel is on a hill overlooking Sitges and the Mediterranean Sea.

COVID-19
Our community thrives by engaging with each other face-to-face (or now mask-to-mask) but we wish to be safe in doing so. Thus, as safety is our first priority, we require proof of Covid-19 vaccination prior to registration for participants and guests and strongly suggest getting the available boosters.

In addition, we strongly suggest:

- All conference participants and guests self-test prior to the conference to assure as safe a conference environment as possible.
- All participants and guests wear KN95/FFP2 masks at conference functions (except when eating or drinking or making a presentation) to protect the most vulnerable among us and have included in each conference packet one KN95 mask and have additional ones available. The meeting room and poster room will be spaced out as much as possible to allow for social distancing. In addition, we have asked the hotel to provide optional outdoor seating for meals. If you are part of the most vulnerable population, please see the ECI staff so that we can arrange special accommodation.
- That you bring some Covid home tests with you. Should you test positive or feel unwell at any time during the conference please contact Tressa (+1-516-965-4015), Kevin (+1-917-756-7513) or Barbara (+1-914-484-7349) so that they can assist you and notify the hotel.

We cannot make guarantees but we can assure you that ECI will follow the health and safety guidance of health authorities, consult best practices in the meetings community, and try to provide as “normal” a conference as possible during these circumstances.

If you test positive once you arrive home, please contact us so that we may inform fellow participants.

TRANSPORTATION FROM BARCELONA AIRPORT
There are several ways to get from Barcelona Airport (BCN) to the Dolce Sitges Hotel: taxi, rental car, and bus. The train connection is not direct but reasonable. Check the link above for bus information. There is direct train transportation to Sitges from Barcelona.

As typically there are multiple taxis available in the taxi queue at the airport, we recommend taking a taxi. The cost is about €60-65 for the 25-minute ride.

**RETURN TRANSPORTATION TO BARCELONA AIRPORT**
If you haven’t already sent in your request for a seat on a bus returning to the Barcelona Airport on Thursday, October 13, please do so prior to October 5 as the bus company is scheduling pick-up times depending on flight departure times.

Currently, buses are scheduled to leave the hotel at 7am, 8am, 10am and Noon. The schedule was set to accommodate as many people as possible. We recommend taking a taxi if none of these departure times match your schedule.

**WEATHER**
The long-term forecast calls for mostly sunny days. Highs are predicted to be around (74°F) 23°C and lows around 57°F) 14°C. Bring a sweater or jacket for the conference room if the temperature is too cool for you.

**SPEAKERS**
We expect that all presentations will use PowerPoint and we will have a computer projector as well as a laptop with Microsoft PowerPoint. Slides should be the standard 16:9 aspect ratio. Please bring your presentation on a memory stick for loading onto the ECI computer. If you plan to use a Mac computer, please bring the necessary adapters. Our audio-visual graduate student is Madeleine Isaksson and she will assist speakers in loading their presentations on the conference laptop.

All presentations should be loaded the day prior to the session or no later than three hours before the session in which you are speaking begins.

Be sure that you provide your session chair with a brief biography for introductions.

It is essential to the conference schedule that you keep to your given time (allowing at least 5 minutes for questions/discussion). Keeping in the tradition of these conferences, please be available during the conference for discussion and questions. Meals and social hours are perfect for discussion and questions.

**POSTERS**
Your poster should be no larger than 1 meter wide and 1.5 meter tall (Portrait Style). Posters should be mounted prior to the first poster session on Monday (18:00 – 20:00). Mounting tape will be provided. Please remove your poster by the end of breakfast on Wednesday (07:00 – 08:30).

Odd number posters will be presented on Monday, October 10th and even number posters will be presented on Wednesday, October 12th.

**TUESDAY EXCURSION**
Participants and guests will be transported to the Codorniu Winery whose history goes back to the 16th century. It is the oldest family business in Spain and one of the oldest in the world and produces the leading
cava on the market as well as award winning olive oils. We will have a tour and also get to enjoy the beautiful grounds. In addition, there will be a tasting and tapas.

Following the excursion, participants and guests will be taken to Sitges where one can choose a restaurant for dinner on your own. (The conference App contains restaurant suggestions.) Buses will be at a predetermined location to return people to the hotel. For those who wish to extend their evening in Sitges, we recommend taking a taxi back to the hotel.
