

João Soares

João Soares is a Professor in the Department of Chemical and Materials Engineering at the University of Alberta where he holds a Tier I Canada Research Chair in Advanced Polymer Reaction Engineering. He has received several awards, including the University of Alberta Faculty of Engineering Career Research Award, the McMaster University Top 150 Alumni Award, the CSChE Syncrude Canada Innovation Award, the Dow Chemical Innovation Recognition Award, and the Premier's Research Excellence Award. He also held the Campus Alberta Innovates Program (CAIP) Chair in Interfacial Polymer Engineering for Oil Sands Processing from 2013 to 2021. He is a Fellow of the Chemical Institute of Canada, a Fellow of the Canadian Academy of Engineering, a Fellow of the Engineering Institute of Canada, a Professional Engineer in Alberta, and Director of Publications and Continuing Education of the CSChE. Prof. Soares has published over 300 scientific papers in peer-reviewed journals, authored 13 book chapters and 1 book, given over 300 invited presentations in international events and

supervised 27 PhD students, 31 MSc students, 30 post-doctoral fellows and research assistant/associates, and more than 50 visiting scholars.
