

	Sunday April 12, 2026	Monday April 13, 2026	Tuesday April 14, 2026	Wednesday April 15, 2026	Thursday April 16, 2026	Friday April 17, 2026
Time						
7:00						
7:30		Breakfast Buffet	Breakfast Buffet	Breakfast Buffet	Breakfast Buffet	Breakfast Buffet
8:00						
8:30						
9:00		Formulation, Delivery, Device: Accelerating Vaccine Innovation in Administration and Accessibility	Lessons from Animal Health: Accelerating Vaccine Innovation for Human Health	Regional Development and Manufacturing Capacity Building: Accelerating Vaccine Innovation for Global Equity	Next Gen platforms and Novel technologies: Accelerating Vaccine Innovation for the Future	Checkout
9:30						
10:00		Coffee Break	Coffee Break		Coffee Break	
10:30			Workshop Bringing next gen adjuvants to market <i>Chair: Dennis Christensen</i>	Coffee Break	Workshop Bringing vaccines into market - this is how we do it...Part 2 Chair: Manon Cox (NextWaveBio)	
11:00		KEYNOTE Development, launch, and introduction of malaria vaccines		KEYNOTE African Vaccine Manufacturing Network		
11:30						
12:00						
12:30		Lunch	Lunch	Lunch	Lunch	
13:00						
13:30			Workshop 20 year perspective: What was the environment, where are we now, where are we going <i>Chair: Tarit Mukhopadhyay</i>	Environmental sustainability: Accelerating Vaccine Innovation with Green Practices	Workshop Opportunities, not challenges, in vaccine manufacturing	Vaccine analytical tools and PAT: Accelerating Vaccine Innovation through Precision
14:00				Social Outing in Porto		
14:30						
15:00		Coffee Break	Coffee Break		Coffee Break and Networking	
15:30	Pre-Workshop Vaccine Innovation and Leadership: Building a Career for Global Impact <i>Chair: Linda Lua</i>	Registration Conference Check-in	Nucleic Acid based vaccines: Accelerating Vaccine Innovation with Next Generation Genetic Platforms		Bioprocessing Breakthroughs, AI Integration, and Systems Biology: Accelerating Vaccine Innovation in Manufacturing	3 Minute Poster Talks 15 x 3 mins
16:00						
16:30						
17:00						
17:30	Opening remarks	Break	Break			
18:00	KEYNOTE Engaging through meaningful partnerships				KEYNOTE Application of emerging technologies in vaccine manufacturing	
18:30					Closing	
19:00	Reception and Dinner	Dinner		Dinner	Dinner Banquet & Reception	
19:30						
20:00						
20:30		Poster session 1 Odd numbers		Poster session 2 Even numbers		
21:00						
21:30
