

**20 Vaccine Technology  
10<sup>th</sup> Conference**  
20 years accelerating vaccine innovation

Time	Sunday April 12, 2026	Monday April 13, 2026	Tuesday April 14, 2026	Wednesday April 15, 2026	Thursday April 16, 2026	Friday April 17, 2026
7:00						
7:30		Breakfast Buffet	Breakfast Buffet Steering Committee Mtg.	Breakfast Buffet	Breakfast Buffet	Breakfast Buffet
8:00						
8:30						
9:00		Formulation, Delivery, Device: Accelerating Vaccine Innovation in Administration and Accessibility	Lessons from Animal Health: Accelerating Vaccine Innovation for Human Health	Regional Development and Manufacturing Capacity Building: Accelerating Vaccine Innovation for Global Equity	Next Gen platforms and Novel technologies: Accelerating Vaccine Innovation for the Future	Checkout
9:30						
10:00		Coffee Break	Coffee Break	Coffee Break	Coffee Break	DEPARTURES
10:30						
11:00		<b>KEYNOTE: Katie Ewer, GSK</b> <i>The path to a malaria-free world: vaccine innovation, access, and sustainable impact</i>	<b>Workshop</b> <i>Bringing vaccines into market - this is how we do it...Part 2</i> Chair: Manon Cox	<b>KEYNOTE</b> <b>African Vaccine Manufacturing Network</b>	<b>Workshop</b> <i>Bringing next gen adjuvants to market</i> Chair: Dennis Christensen	
11:30						
12:00						
12:30	ARRIVALS	Lunch	Lunch	Lunch	Lunch	
13:00						
13:30						
14:00		Nucleic Acid based vaccines: Accelerating Vaccine Innovation with Next Generation Genetic Platforms	Environmental sustainability: Accelerating Vaccine Innovation with Green Practices	<b>Workshop</b> <i>Shifting Global Vaccine Priorities: Funding in a New Political Landscape</i> Chair: Piper Trelstedt	Vaccine analytical tools and PAT: Accelerating Vaccine Innovation through Precision	
14:30						
15:00		Coffee Break	Social Outing in Porto	Coffee Break	Coffee Break and Networking	
15:30						
16:00	<b>Pre-conference Workshop</b> <i>Building a Career for Global Impact</i> Chair: Linda Lua	<b>PLENARY: Marco Cavaleri &amp; Dean Smith</b> <i>Global Regulatory Fireside Chat</i>			<b>Bioprocessing Breakthroughs, AI Integration, and Systems Biology: Accelerating Vaccine Innovation in Manufacturing</b>	
16:30		Conference Registration Check-in				<b>3 Minute Poster Talks</b> 15 x 3 mins
17:00						
17:30	<b>Opening remarks</b>	Break		Break	<b>20 Year Reflection</b> <i>What was the environment, where are we now, where are we going</i> Chair: Tarit Mukhopadhyay	
18:00	<b>KEYNOTE: Gian Gandhi, Gates Foundation</b> <i>Global immunization: Charting a course forward in a period of deep uncertainty</i>					
18:30		Dinner		Dinner		
19:00						
19:30						
20:00	Reception and Dinner	<b>Poster session I</b> Odd numbers Chair: Antonio Roldao		<b>Poster session II</b> Even numbers Chair: Antonio Roldao	Dinner Banquet & Reception	
20:30						
21:00						
21:30
